

missouri endangered species postcard contest 2011

river habitat— we gotta have it!

The 2011 Endangered Species Postcard Contest challenges Missouri's kindergarten through 12th-grade students to illustrate a postcard with pictures of endangered species or species of conservation concern that depend on Missouri's midsized rivers, such as the Platte, the Salt and the Osage rivers. You and your students can find a postcard template and other resources at www.MissouriConservation.org/4151.

Guidelines and Deadlines

- Five age categories are eligible to participate:
 - K–2nd grades
 - 3rd–4th grades
 - 5th–6th grades
 - 7th–8th grades
 - 9th–12th grades
- Artwork must depict Missouri's midsized-river habitat and/or one or more species that live in them.
- Postcards must be made of card stock using the provided template or a 4" x 6" index card. To use the provided template, copy the PDF onto cardstock and cut into quarters.
- The back side of each postcard **must** list the following information:
 - Student name and grade
 - School and classroom teacher (for entries submitted with a school group)
 - Return home address (only for individual entries not submitted with a school group).
- **School groups:** We will require that each classroom conduct a precontest. Please select the top three postcards from each classroom and submit only those three postcards. Multiple classrooms per school are encouraged to enter. **Teachers:** Please fill out an entry form complete with information for each classroom entering the contest.
- **Individual entries:** For students whose school group is not participating, you may enter as an individual. Only one entry allowed per student.
- Mail postcard entries in an envelope with a return address to: Endangered Species Postcard Contest, c/o Lisa Baclesse, P.O. Box 180, Jefferson City, MO 65102–0180.
- Postcards must be received by November 23, 2011.
- The top three winners in each of the five age categories will be announced at www.MissouriConservation.org/4151 and will receive prizes. The first-place postcards will be printed and sold in MDC Nature Shops.
- Got questions? Call Marci Porter at (573) 522–4115, ext. 3236, or email at Marci.Porter@mdc.mo.gov.

endangered midsized-river species
